Ngawi, Indonesia

A fresh graduate System Information from Surabaya State University. My experience includes building web and Android applications using technologies such as Laravel, CodeIgniter, Flutter, TailwindCSS, React.js and Next.js. Interested in Fullstack development best practices, and cybersecurity. Currently participating in the HariSenin.com Bootcamp and eagerly awaiting graduation. I'm looking for a position as a software engineer to apply my skills, continuously learn and contribute to company progress.
